I started working in the camera department in 2010 as camera trainee on the 16mm NZ feature ‘ Rest for the Wicked’. Since then I’ve AC’d on six feature films and various NZ TV dramas.

I have worked as a focus puller on a number of NZ features. Ghost Bride, Crack Heads (casual) and House Bound (casual).

I’m technically minded, creative, hardworking and reliable and demonstrate great attention to detail.

I know all of the major camera systems from Alexa 65 through Alexa Mini, Red, and an extensive range of smaller cameras.

Self directing as necessary and able to fit quickly and easily into existing teams. Great attitude even the end of a long job.

‘I found Alex to be completely reliable, conscientious and dedicated.’

– Neville Raschid. Producer. Ealing Comedy. London.
