I have been working in the Film & TV industry for the past 13 years, graduating from South Seas Film and Television School in 2003. My know-how has been geared towards filming top rating, primetime factual observational and reality TV shows but I've also worked on Commercials, Features and Corporate Videos. I have experience with Sony FS7, Sony F5, Sony a7s, Arri Alexia, Canon EOS C300, Canon EOS 5D, and UAV work. In conjunction with Camera, over the past few months I have been taking on other production positions and expanding my capabilities across the industry. My main focus is still Camera Op, but I enjoy the challenge and variety of taking on other roles.

Commercials

- Sleeman Railside Session Ale, Shoot NZ – Production Runner
