Mob: 027 689 6893 | DOB 13/05/77

Need a Swiss Army Knife? As a fresh face in NZ film production as well as being a seasoned photographer and business owner, I operate and communicate well with both production and creative. I am organised and bring a broad skill set to the party. No task is too large or too small. I work hard, smile often, stay humble, and make it a point to get along with all crew.

PM | PC | DA | PA | 2nd AD | DoP | Photog. at Bob Lajes Ltd.
