I am a motivated and passionate individual who has a strong work ethic and great attitude.

My experience lies mostly within Gripping and Lighting assist work as well as Locations work. I have also spent time as an intern at Panavision NZ as well as working at Xytech.

I am an enthusiastic and reliable team member who thrives when working as part of a team and I am eager for opportunities to work and learn in the Grips department.

I have a Full clean NZ drivers license and am confident driving manual vehicles.
