

Rob McKenzie
Safety Officer/Supervisor
0277100286 / robcmckenzie@gmail.com

I've worked on a wide range of productions from high budget Hollywood led features, domestic TVCs, indie short films, and TV series both international and domestic.

Most productions I have worked as the main Safety Officer on and off set ensuring safe working practices amongst crew through general filming conditions as well as more dangerous situations involving firearms, stunt driving sequences, special fx, fire/explosions, large animals, crane operation and rigging, helicopters, boats, scuba diving etc.

I also wrote the majority of H&S paperwork involved in these productions involving reces and scouting, location reports, Job Safety Analysis, incident reports, safety inductions, and any miscellaneous reports required by production.

Skills / Talent / Training

PADI Divemaster and Safety/Rescue Diver

- 2.5 years working for Lifeguard and Safety
