STATEMENT

I am a highly motivated professional with over 18 years experience in the camera department having worked along side some of the most respected cinematographers in the world.

Some of my numerous film credits include “The Hobbit”, I Am Legend, Shine a Light (Rolling Stones Concert Movie), Nim’s Island and Pete’s Dragon. I now use this experience, skills and discipline learnt while working on these films, plus numerous commercials and TV series to produce the best product possible for your production.
