

Alex Campbell Cinematographer & Camera Operator

021813304 allegoryfilms@gmail.com

I'm an Auckland based Director of Photography and Camera Operator and have been working in the camera department since 2008.

Starting out as camera trainee I learned my craft working on over a thousand commercials, dramas, and films including Ghost in the Shell, Crouching Tiger Hidden Dragon II, and documentaries in challenging environments like **Antarctica**.

These are environments where **attention to detail, forward planning, thinking on the hoof** and **appeasing the weather gods** all pay off!

I honed my skills making short films, music videos and other passion projects. Most notably:

Jury Prize Bucheon International Film Festival – **A Love Story** (short) - 2015

Official Selection Sitges International Film Festival – **The Predicament** (short) – 2017

Official Selection Imaginative International Film Festival – **Junior Boxing** (short) – 2021

Finalist Every Day Humans International Doco Competition – **Marz Court** (documentary short) - 2018

I have worked on **Arri, RED, Sony, Canon, Blackmagic and Panasonic** cameras.
