Barnaby Sweet - Lighting Assist - CV

14/49 Collingwood St
Freemans Bay,
Auckland.
Mobile: 021870536

barnaby@barnabysweet.com

I have been working in lighting within the UK film industry for the past 10 years and am now based back in Auckland, New Zealand. This has ranged from music videos and commercials to large budget feature films. My background in photography has made me intrigued with light ever since I can remember, and having worked with some of the top names in film production. I look forward to working on some truly beautiful productions in the future.
