WORK EXPERIENCE

1999 - 2019

Digital Video Assist , DIT and Data Acquisition

Self Employed contractor for production companies in NZ and Australia.

Working on local TVC's and international line productions.

I have worked on hundreds of TVC's during this time from small local one camera shoots to multi camera International spots.

I run Qtake HD software for video assist which is the global industry standard.

I bring a hard working and pleasant personality to set and strive to deliver an excellent service.
