I've worked on many Films, TV Dramas, Commercials, Music Videos, Short Films, Live Camera Events, and Documentaries since 2003 as a Camera Op, 1st AC, 2nd AC/Clapper loader and video split. I've worked with most cameras from 35mm to 16mm, video from Digi Beta through to the most recent HD cameras, with Anamorphic, and Spherical lenses. I also have experience with rigging and operating cameras on most crane systems, remote heads, Aerial and tracking vehicles, and underwater housing.
