

ROD GARCIA

UNIT – LOCATIONS

+64 210 296 2614 roddlesgarcia@hotmail.com

I've been working in the Film and Television industry since 2015 and transition between the Location and Unit departments. I have worked on various jobs, both domestic projects and overseas productions, having lastly worked on the Warner Bros series SweetTooth as the Unit Assistant Manager. I always seek to do the best possible job I can. I have a full license and a 4WD wagon which I normally use on jobs as well as holding a Food Safety Certificate.
