After several years living and working in Australia, I have returned to Auckland. With over 40 years experience as a Key Grip, I am now available to deliver a top end grip service to the New Zealand film and television industry.

I come with a truck and full compliment of grip equipment tailored to suit your needs. I have a depth of knowledge in all aspects and tasks of grip work from camera rigging/movement, deployment/operation of filming equipment and installation of back-drop and light control in a timely and safe manner. I will lead my team to deliver a slick operation employing best practices to get the shot in the can.

Directors of Photography I have worked with include: John Toon, Gary Wapshot, David Gribble, Chris White, Steve Dobson, Don McAlpine, John Toll, Gary Kapo, John Cavill, Neil Cervis, Sigi Spath Jnr, James Cowley, Ian McCarroll, Fraser Taggart, Dion Beebee, Stuart Dryburgh.

For further information please contact Filmcrews or myself.
