Production Coordinator - Te Henga, Auckland, Tāmaki Makaurau

PROFILE

With over fifteen years Film Production experience, I have had amazing opportunities to work in the many & varied aspects of the film industry. From local TV commercials, to traipsing over the country on bigger line productions, working on natural history documentaries, through to Post Production on big budget features. I am organised, detail-oriented and self-motivated, with proven time management skills. I have exceptional visual presentation skills with strong attention to detail and the ability to expand on creative ideas and concepts. I am an articulate, personable and flexible communicator with a very strong work ethic and professional manner.
