Sarah has been working in film & TVC production for far longer than she would ever admit to. Her love of per diems & shabby hotels has seen her shoot all over Aotearoa New Zealand as well as several overseas destinations such as Tokyo, Buenos Aires, Sydney, Melbourne, Perth, London, Manchester, Blackpool, Newcastle, Rarotonga & Fiji.

Career highlights include line producing 'The Justice of Bunny King' and 'The Hunt for the Wilderpeople' as well as producing a handful of short films & exhibiting them at festivals such as MIFF, TIFF, HIFF, and the NZIFF.

2024 is so far, keeping Sarah on her toes. In between making TVC's & getting to grips with co-chairing the APA, she is developing a TV series with long-time collaborator, Ray Edwards and has just completed work on feature film, 'Mārama' with Sweetshop & Green.

Over the years, Sarah has produced many memorable TVC's for directors such as Freddy Mandy, Taika Waititi, Steve Ayson, Jae Morrison, Alex Roberts, and Ray Edwards for well-known clients & brands including ASB, Genesis Energy, Skoda, Nissan, Air NZ, Partners Life, Pedigree, Mercury, BP, and Westpac.
