TVC Production Manager

M: +64 (0) 21 755 046
E: vichardymar@icloud.com

An experienced freelancer in the NZ film industry, I have also worked in Thailand, Fiji & the Cook Islands. I like adventure & variety & am always excited about a new job. My strengths include working collaboratively, creating a relaxed yet productive working environment, thinking “outside the square” when required, & a strong attention to detail. And having a laugh – yep – sense of humour essential. Outside of work it’s hiking, music, dancing, singing, hanging out with family & friends, walking our dog & exploring new places

TVC's / Promos 1992- 2024

Initially worked in casting, production assisting/co-ordinating & 2nd AD, then settled on production managing (Lee Tamahori gave me my first break as PM on a charity job for the Watershed Theatre).

Have also line produced offshore jobs from time to time, for the US, European and Hong Kong markets, but I prefer to PM. Have worked all over NZ - International (usually South Island) as well as local content - and for 4 years in a row did the Just Juice tvcs in Rarotonga & Fiji.
