Auckland based – NZ Full Drivers License – Member of NZSG & NZCS

Having been a photographer and videographer for a number of years, working primarily within the NZ Music industry, I made the shift to assistant camera work in late 2022. 2024 was my first year as a full-time freelancer, having completed my Bachelor of Audio Production from SAE Auckland (class of 2023). I have worked across multiple music videos, short films and commercials, with a long-term aim of working as a 1st AC on dramas and large-scale commercials. I am a fast learner, extremely focused and calm on set, and love working amongst a good crew. I'm looking forward to expanding my networks within the industry and gaining more experience as a trainee, 2nd and 1st AC.
