PROFILE

I'm a 29 years old and coming from Estonia. A hands-on and versatile person with experience in photography, film lighting, and operating heavy machinery. I'm good with different gear, solving problems on the fly and getting things done in dynamic environments. Outside of work I'm all about staying active. Mountain skiing and football keep me in shape and focused. I'm always up for new challenges, whether on the job or in life.

WORK EXPERIENCE
