PROFILE

I am a self-motivated individual, with strong problem-solving skills, who is passionate about all things film related. I thrive in an ever changing, fast paced environment, both individually or working in a team. I have an eye for detail and have excellent communication skills.

I have spent the last 12 years working in Canada, focusing primarily on TVC's and Promo's. For the last 4 years, I have been working remotely for Canadian production companies including some travel for larger scale shoots.
