PERSONAL STATEMENT

I am a visually creative Make-Up Artist and Hair Dresser, with over 30 years in the arts industries. My portfolio of work ranges from TV commercials, episodic TV, feature films, to fashion photography and brand work. I am a flexible and adaptable team leader, I have a strong work ethic, excel under pressure and thrive on creative projects with a unique visual direction.

I am the founder of my own hair product line, Eithne Curran Hair. These products were inspired by my experience working with actors, actresses and models.

I have created my own bespoke make-up studio in Auckland Central and have an established group of clients.
