Sandringham, Auckland

Bio

I worked as a videographer from 2020–2024, gaining experience across a range of roles including camera, sound, editing and post-production. I stepped out into the wider film industry where I have been working in a variety of different roles including Production Running, Cast Driving and Camera Assisting. While the majority of my work has been within production, In 2025 I worked as a 2nd AC on Season 8 of Ahikaroa. This experience broadened my skills and reinforced my ideas in what avenue I am wanting to pursue. I'm passionate about learning more and working with others collaboratively in any area but especially in camera.
