

KAVEH SHARIFIAN

SOUND RECORDIST | 1st ASSISTANT SOUND | BOOM OPERATOR

PROFILE

Highly motivated Sound Recordist with extensive experience capturing pristine, production-ready audio across diverse formats—from intimate, small-crew documentaries to larger-scale, complex narrative, drama and musical productions. Equipped with an industry-standard sound package—including professional multi-channel recorders, premium radio mics, IFB/wireless monitoring, and specialized microphones—I provide all the gear necessary to service high-end productions seamlessly. Known for technical precision, calm under pressure, and a proactive on-set presence, I balance fast workflow demands with high audio fidelity to keep production moving efficiently. A collaborative department head and reliable teammate, I ensure post-production receive high quality sound all while bringing the Directors vision to life.
